# THE DOCTRINAL BASIS OF THE COLLEGE

---

Some years ago, Dr. Griffith Thomas, speaking at a Bible College gathering, made this statement: "We shall need more and more such institutions as the Toronto Bible College; and for two reasons. First, because they insist on the knowledge of the Bible as the essential equipment for Christian work; and second, because they bear testimony to the great fundamental realities that are the common heritage of all Christians." The latter part of that statement indicates the character of the T.B.C. Doctrinal Basis. It is designed to emphasize the great fundamental realities that are the common heritage of all Christians. It is a doctrinal basis that seeks to unite Evangelical Christians, not to magnify those things on which they differ. Yet it is a basis that preserves and safeguards all the cardinal and essential elements in a full-orbed, Biblically-founded, Christ-centred faith. To this Doctrinal Basis every member of Faculty, Board and Council gives full assent.

1. The Divine Authority and Plenary Inspiration of the whole of the Old and New Testament Scriptures.
2. The Deity of Our Lord Jesus Christ.
3. The Doctrine of the Trinity.
4. The Fall of Man and his consequent Depravity and the necessity of the New Birth.
5. The Atonement through the Substitutionary Life, Death and Resurrection of Christ.
6. Justification by Faith in our Lord Jesus Christ.
7. Regeneration by the Holy Spirit.
8. Sanctification through the Word and the Spirit.
9. The Second Coming of our Lord Jesus Christ and the Resurrection of the Dead.
10. The Eternal Blessedness of the Saved and the Eternal Punishment of the Lost.

REV. J. B. RHODES, M.A., B.D.

## FAREWELL CLASS '49

In momentous days, yet days of urgent need, you go forth to your life's service. You will not fail to meet the challenge if, in the spirit of your class motto, you go "Forward with Christ." What that implies is indicated in your chosen class text, John 15: 16.

It reminds you of CHRIST'S CHOICE: "Ye have not chosen Me, but I have chosen you." The personal pronouns are emphasized. That is the ultimate assurance of our Christian faith. Not that we loved Him, but that He loved us. And He who has begun His good work in us will not fail in it. Our responsibility is to let Christ have His perfect way with us. In us is so much that is imperfect, so much that fails to realize even our own aspirations, but One who saw that His first creation was "very good" has undertaken the re-creation of our lives, redeemed on Calvary by His grace. In Him we are made sufficient for all things.

It reminds you of CHRIST'S COMMISSION: "And appointed you, that you should go and bring forth fruit, and that your fruit should abide." Christ's choice calls you to service. Such service involves activity; "that you should go." Under the leading of His Spirit we are to seek out and enter into the sphere of service He has appointed us, across the seas or here at home. And in that sphere we are to "bring forth fruit." Such service involves receptivity. As the tree receives from the air and soil all that it requires for growth and fruit-bearing, so we receive from Christ through His Word and Spirit, the nourishment of our spiritual life that we may bear fruit to His praise.

As you go "Forward with Christ,"

God bless, keep and use you everyone,

Rev. J. B. RHODES, Principal.

VICE-  
PRESIDENT

BOARD  
OF  
GOVERNORS

MR. WM. INRIG

## CONGRATULATIONS CLASS '49

That the Board of Governors is pleased with the success of the graduating class, is but a mild statement of what is, in actual fact, a deeper feeling of pride.

A term of hard study has ended, which demanded the strenuous application of mind and will on the part of every student; and the second largest class in the history of Toronto Bible College has come through to graduation honors.

Of course, it was expected that "Class '49" would do their best. Someone said, "they are a brilliant lot." Christian effort, in the matter of Bible Study, is like Christian warfare, (II Timothy 2: 4). The admonition of the Apostle Paul has been taken seriously by the student body. They have been diligent in their work, and the Lord has given them victory.

It is undoubtedly a fact that the curriculum of the college has been more exacting and difficult than in some former years. This has been beneficial in two ways. It has maintained the high standards of T.B.C., and has better fitted the graduating class to meet the challenge of the future, all of which is in keeping with the need of the times.

It has been a high privilege to sit under eminent and able teachers. Whether it was Biblical and Systematic Theology under Dr. John Mc-

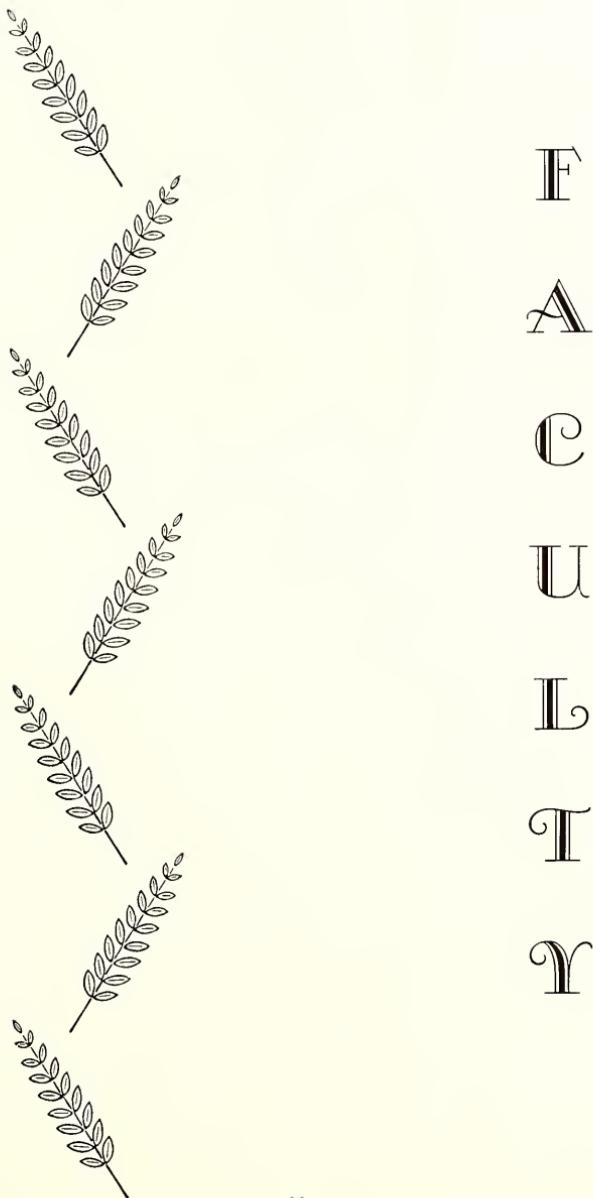

Nicol and Rev. J. B. Rhodes, or Homiletics and Evangelism under Rev. Dixon A. Burns, or Philosophy and Pedagogy under Rev. C. A. Armstrong, or World Missions study under Rev. J. B. McLaurin, "Class '49" met the challenge of the entire faculty. They have not been "plucked." The results have been magnificent. Congratulations are in order.

It has been quite apparent in the corporate life of the College that the missionary spirit has prevailed. Young men and women, with an accumulation of experience during war years, have envisaged correctly the need of this world of today, and have turned to Toronto Bible College for preparation to meet that need. The graduating class members have prepared themselves well. They will go forth from the College equipped and consecrated for service for Christ for life.

Members of the Board of Governors congratulate the splendid "Class of '49."

On behalf of the Board,

WM. INRIG, Vice-President.

Principal-Emeritus

Rev. John McNicol, D.D.

Dr. McNicol joined the College Faculty in 1902 and four years later became Principal, which position he held for forty years. He graduated from the University of Toronto with honours in Classics, from Knox College, Toronto, with a post-graduate B.D. degree, and in 1935 received the honorary degree of Doctor of Divinity. His contribution to Christian literature includes "The Christian Evangel" and "Thinking Through the Bible" in four volumes.

Dr. McNicol's teaching and example serve only to incite in the students a desire to follow more closely the Risen Lord "until He shall reign, whose right it is, whose we are and whom we serve."

Principal

Rev. J. B. Rhodes, M.A., B.D.

Mr. Rhodes received his early education in the Chefoo Schools, China. Coming to Canada, he took honours in Philosophy at the University of Toronto, earned his M.A. the following year, did post-graduate work at Princeton Seminary, graduated from Knox College, and later received his B.D. degree from the Presbyterian College in Montreal. After a ministry of ten years in Exeter and Cobourg, Mr. Rhodes joined the College Staff and became Principal in 1946.

Called to the high responsibility of guiding T.B.C., Mr. Rhodes performs his duties as Principal with a devotion that never ceases to create in the students a determination to seek out the particular task which God has for them and "to perform it."

Registrar

Rev. C. A. Armstrong, M.A.

The call to the ministry challenged Mr. Armstrong when in his early teens. Following this call, he has graduated from T.B.C., earned his M.A. at McMaster University, and engaged in graduate studies in the University of Toronto leading to his Doctor's degree in Philosophy. He has had pastorates in Ontario, Quebec and B.C.

Mr. Armstrong served in a part-time capacity for two years and last year became Registrar of the College. During this time he has become the very good friend of every member of the student body.

**Rev. D. A. Burns, B.A., B.Th.**      Supt. of Student Activities

For twenty years Mr. Burns has been Superintendent of Student Activities, and for twenty-four years, Secretary-Treasurer of the Alumni. Graduating from T.B.C. in 1916, he later received his B.A. and B.Th. degrees from McMaster University and entered upon post-graduate B.D. work at McMaster University and Emmanuel College, Toronto. Mr. Burns has served as pastor in Toronto churches for many years and as Moderator of the Toronto Association of Baptist Churches. In addition to the supervision of student activities, Mr. Burns' versatility lends itself to lecturing, counselling and the care of an ever-growing personal library.

**Rev. D. E. Raymer, B.A.Sc.**      Secretary

Mr. Raymer, Secretary of the College, is also one of our own graduates. Prior to coming to T.B.C. he had studied Civil Engineering at the University of Toronto, receiving his B.A.Sc. in 1936. Subsequently he became Engineer in Defence Industries Ltd., Head Office; Supervisor of Management Training with Verdun Works, 1942-1945; after war years, Conference Leader Instructor in subjects pertaining to management and supervision in the C.I.L. Head Office and plants throughout Ontario and Quebec. Mr. Raymer was pastor of Grace Church in Ville La Salle, Quebec, and is at present engaged in final year B.D. work with the University of London, England.

Mr. Raymer has found it possible to fit into his already crowded schedule as Secretary, lectures on the Book of the Acts.

**J. M. Waters, M.D., C.M.**      Medical Adviser

Dr. Waters is our good friend from Middlesex County. Before joining the College Faculty in 1925, he had taught school in London, Ontario, for three years, graduated from Trinity Medical College in 1902, and served as a medical missionary in India for twenty-three years. On his return to Canada, Dr. Waters was, for a short time, Director of Student Activities at the College, and then served as Registrar for twenty-two years.

Last spring he retired from this position but is able to continue in the capacity of Medical Adviser and lecturer in Elementary Medical Studies.

Director of Music

Mr. Cyril Redford

A more recent addition to our College Faculty is Mr. Cyril Redford, who became Director of Music in September, 1948. Mr. Redford has received great distinction in the field of choral music first for his organizing and conducting of the Kodak Choral Society, then as director of Cooke's Presbyterian Church Choir in Toronto, and, more recently, as organizer and conductor of the Ambassador Choir. In addition, he is Manager of the Music Department of Evangelical Publishers.

His quick smile and familiar "You're great!" help to infuse the choir members with his own obvious delight in singing praise to our God.

## FACULTY CHANGES

Every organism maintains its life by change and adaptation. Our bodies continually undergo a process of adjustment to the environment. When the writer came from Britain a few years ago he found that nature generously cared for the variation in season and climate by making certain definite adjustments to the new environment, thus enabling the physical organism to continue to function without interruption in the new country.

We have heard it stated that the laws of the Medes and Persians did not change, but they did not serve a living God. Nations, like individuals, must adapt themselves to changing conditions or perish. Stability is not stagnation.

The College, like every living thing, changes in numerous ways but, like the human body, it remains identically the same while it keeps on changing. It perennially renews its strength, its spirit and its testimony without changing its principles or its message.

Missionaries on furlough and other graduates returning to college after years of absence, find the same fellowship which they learned to appreciate during their undergraduate days. They find the college day still begins with the hour of prayer from 8 until 9; that each class period begins with prayer; that each Tuesday at 10, books are dropped, classes forgotten and offices closed, in order to permit the entire school family to gather for the weekly devotional hour. They find the Wednesday missionary meeting at 12 as well attended as ever; that cabinet and committees function in the way they have done for years; and, when they visit the various lectures, while they may observe that the lecturer is a stranger to them, they immediately recognize that his message has the same emphasis as that which they learned to recognize as being distinctively typical of T.B.C.

The year 1948 was a year of many changes at the College. Dr. Waters, who had laboured with patience, grace and faithfulness for over twenty years in the office of Registrar, retired to lighter duties in the office of Medical Adviser. Mr. Shildrick, after over twenty years as Director of Music, found it necessary to relinquish his duties

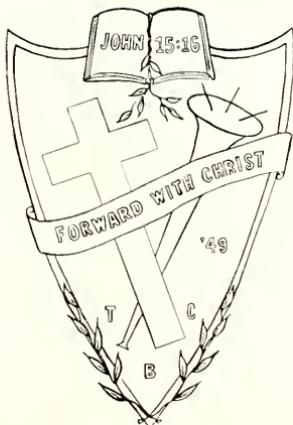

on account of the unsatisfactory condition of his health. Both of these gentlemen made an outstanding contribution to the development of the work in their respective departments. Their term of office will be known as the decades of Waters and Shildrick. They will be greatly missed by the hundreds of students who came to know them and who profited by their ministry and counsel.

Mr. Vesey won a warm place for himself in the affection of a large part of our college constituency by his contacts on behalf of college maintenance, and Mrs. Lantz, by her careful attention to detail and her association with hundreds of graduates over a period of almost twenty years, endeared herself to many members of our College family.

It is fitting that the Gateway of 1949 should acknowledge the contribution made by these devoted servants of God to the developing and expanding ministry of T.B.C. and to the wider interests of the church and the kingdom.

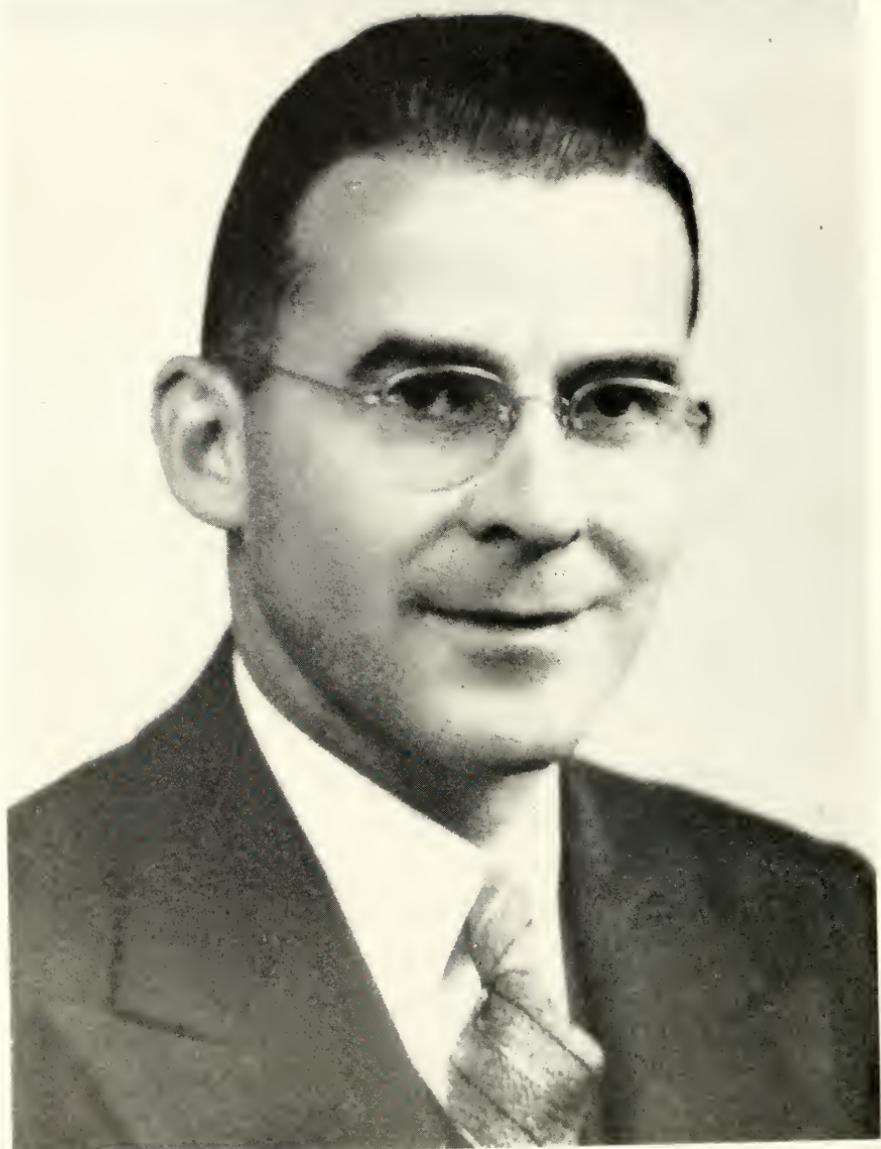

In the providence of God their places have been taken by younger men and women who are equally capable, equally devoted and who are imbued with the desire to maintain, strengthen and expand the ministry to which they have been called. The College ministry of the writer has been contemporaneous with that of those recently retired and those chosen to succeed them. He is overjoyed to be in a position to announce to the friends of the College everywhere that for loyalty to revealed truth, for devotion to the Spirit of Christ, for qualities of leadership, for thoroughness of academic preparation for appreciation of the college ministry, and for self-sacrificing service, the new members of the Faculty are not one whit behind their predecessors and not one bit inferior to their colleagues. Changes such as occurred in 1948 are inevitable in every developing institution, but to return to the thought with which we commenced this thumb-nail sketch, the College has again renewed its strength, chastened its spirit and enriched its testimony without changing its principles, its outlook or its message—still "Holding forth the Word of Life."

#### ALL HAIL THE POWER OF JESUS' NAME

All hail the power of Jesus' name!  
Let angels prostrate fall;  
Bring forth the royal diadem,  
And crown Him Lord of all!

Crown Him, ye martyrs of our God,  
Who from His altar call;  
Extol the stem of Jesse's rod,  
And crown Him Lord of all!

Ye chosen seed of Israel's race,  
A remnant weak and small,  
Hail Him who saves you by His grace,  
And crown Him Lord of all!

Ye Gentile sinners, ne'er forget  
The wormwood and the gall;  
Go, spread your trophies at His feet  
And crown Him Lord of all!

Let every kindred, every tribe,  
On this terrestrial ball,  
To Him all majesty ascribe,  
And crown Him Lord of all!

Oh, that with yonder sacred throng  
We at His feet may fall;  
Join in the everlasting song,  
And crown Him Lord of all!

Seated: Lillian Dodham (Secretary), James Westman (Assoc. Head Boy), Grant Wright (Head Boy), Ruth Tolley (Head Girl), Janet Kerr (Assoc. Head Girl), Thelma Tedford (Treasurer).

Each of our three years at T.B.C. has had its own rich ministry. Under the friendly guidance of our Faculty we have been led into a deeper understanding of God's will for our lives. Now we find ourselves on the threshold of a new and broader phase of our life's work. It is a time which we have joyfully anticipated despite our natural regret over leaving the College which has become our spiritual home. As we leave we are conscious that we become members of the already world-wide T.B.C. family, and confident that the training we have received has better fitted us to withstand attacks on our faith and to carry the Christian banner into the camp of the Evil One.

It goes without saying that we shall greatly miss association with you who remain to complete your course. We are persuaded that you are learning that the secret of effective Christian service is a personal fellowship with Christ that has its issue in unslacking perseverance. "Therefore . . . be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord."

## The Preparatory Course

The Toronto Bible College is anxious that no deserving youth, however deficient in academic background, should be deprived of an opportunity for spiritual and practical training if he has the moral zeal and mental equipment for such training. Sixteen years ago a Preparatory Course, one year in length, was instituted as a preface to the work of the General Course. Through the years it has been found that some of the College's best students are those who have "come up through Prep," which is itself testimony to the high quality of work being done in this preparatory year.

The Preparatory Course represents a combination of Bible study, vocal music, supervised practical work, and such basic high school subjects as English, Elementary Mathematics, Geography and History. For the latter, textbooks used in Ontario High Schools are employed and the standard of excellence set is that of Junior Matriculation in the Province. With a shorter year at the Bible College than obtains in the regular high school, the high school programme must be somewhat abridged.

The "Prep" Course is open to Christian young men and women who are at least in their eighteenth year and are recommended by responsible persons. Since the class hours in this Course are held Monday through Friday from 9 a.m. to 1 p.m., it is possible for a "Prep" student to accept employment outside the College for afternoon or evening hours and for all of Saturday, so long as he reserves enough time for home study; and thus he may work his way through this year of school. When he graduates to the General Course this policy can be continued.

# A CHOICE OF COURSES

---

Students attending Toronto Bible College are able to select from among the courses offered in the day and evening schools the one which meets their particular requirements, whether general or special. Nine courses are being offered at the present time, with varying entrance requirements, components and proofs of competence.

The Preparatory Course, as its name suggests, is designed to prepare a student deficient in academic background for entrance into the General Course. (Please see article on page 35.)

The General Course is the three year basic course of the College, which has been developed to its present excellence over a half century of time. The minimum academic requirement is two years high school, but full matriculation is desirable. Provision is made for work in the departments of Bible Exposition, Biblical and Systematic Theology, Introduction and Evidences, Historical Christianity, Missionary Training, Practical and Devotional Training, Music, Language, Philosophy and Psychology.

The Regular Missionary Course incorporates the basic subjects of the General Course, but provides in addition certain specialized training needed by candidates for overseas or home mission service. The entrance requirements is Junior Matriculation, which most mission boards are now demanding in addition to Bible College training.

A Special Missionary Course open to medical students who are currently attending university, is given in the evening school. Transcripts of university credits are required, and these together with regular hours of systematic study in Bible and kindred subjects, plus additional reading in summer recesses, lead to the regular Bible College Diploma.

The Christian Education Course recognizes the need for specialized training for Sunday School teachers and workers in other branches of Chris-

tian Education. The Toronto Bible College is a member of the Evangelical Teacher Training Association which gives its Gold Seal Diploma along with our own for those who graduate with high standing in this Course.

The Pastors' Course is a four year course to be introduced in the Session 1949-50, for the student who has completed his high school training and who wishes to do thorough academic work in a conservative and spiritual atmosphere. In addition to the basic work of the General Course, additional work is required in English, Homiletics, Theology and Hermeneutics, with an eye to the demands of the home ministry.

A Divinity Course, requiring exacting work over a period of four to five years, depending upon the progress of the student, is now in operation for the really ambitious young man who wishes to prepare for a degree on the Bible College premises. It consists of a combination of basic Bible College training and work set by the University of London, England, and leads to the regular Bible College Diploma plus a B.D. degree from the University of London. Students who elect this course require to be free from the necessity of taking employment during the school session so that they may devote most of their time, except for practical work assignments, to classes and home study.

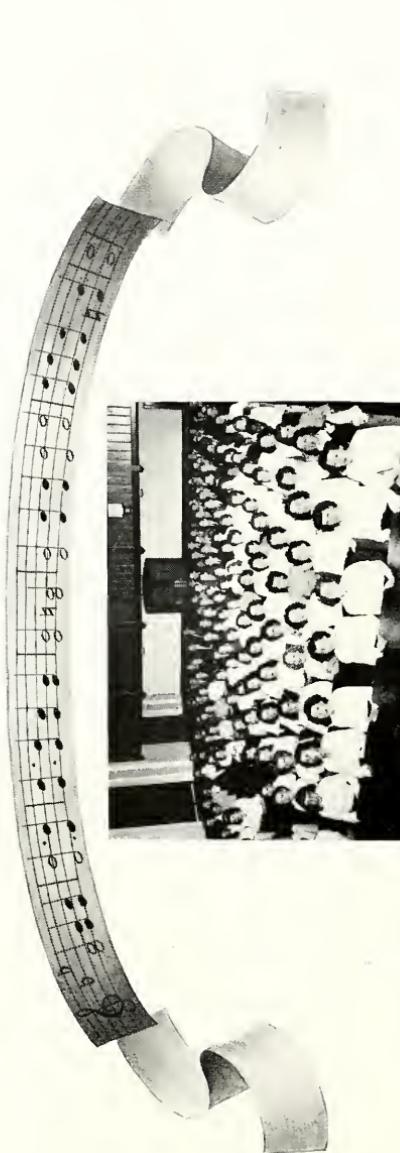

The Bible-Arts Course comes under the same category as the Divinity Course, except that it leads to a B.A. rather than a B.D. degree. The basic Bible training is the same as for the Divinity Course, but English, History, Philosophy and Ethics may be elected in the student's Senior years, to qualify for the University of London degree in Arts.

The Regular Evening Class Course is an abridged form of the General Course offered in the day school, providing for systematic study of Bible text and doctrine and of devotional and practical Christianity. Three years of study in this course lead to the Evening Class Certificate.

November 15th-20th—The 1948 commemoration of the founding of the Toronto Bible College.

Our thoughts were turned back to the beginnings of the College when, in 1894, Dr. Elmore Harris, the first President, and Dr. Wm. Stewart, the first Principal, laid the foundations of T.B.C.

Dr. McNicol reminded us of the contribution made to the spiritual life of the College by Dr. R. P. McKay, who became Chairman of the Board in 1916.

On Tuesday evening, at the United Rally of day and evening class students, Rev. D. E. Raymer spoke on the theme—"The Continual Burnt Offering," emphasizing the necessity of the death of the self-life and the acceptance of the leadership of the Holy Spirit.

The Founders' Week Social was held at the Baraca Club; colourful costumes and clever skits contributed much to the thorough enjoyment of the evening.

"New Horizons" was the theme for Thursday. Rev. D. A. Burns addressed the student body on "The Enlarging Stewardship" of the College. Graduate parents of present students were guests at our special luncheon.

On the last school day of Founders' Week, having reflected upon God's gracious guidance of the development of our College in the past, we were presented with a challenge to "Press on to that day when, through close communion with Him, our faces shall be flooded with the radiance of His love and our hearts shall yearn, as does His, for those living in the darkness of sin."

**"FORWARD WITH CHRIST"**

*"Whatsoever ye do, in word or deed, do all in the name of the Lord Jesus."*

## WHAT ABOUT LAST YEAR'S GRADS?

---

We understand JOHN MILLER didn't reach the saturation point at T.B.C. He's absorbing more Theology at the Seminary!

JIM PIMENTAL'S pastorate is on Manitoulin Island, Ontario. The Lord is blessing Jim's work there.

RUTH HENDRICKSON desires our prayers that churches in her community will soon re-open. She's in Simeon, Ontario.

Four of last year's grads are in nurse's training—RUTH PATTERSON, MARIE WILCOX, MURIEL SCRIBNER and MARION SALMON.

JOSIE MCLELLAN is back in her old stamping grounds, N.B. Says she's using her (could she mean Mr. Burns') psychology there.

DOREEN KERR is nursing in Montreal; hopes to organize a Nurse's Fellowship there.

Last year's Gateway editor, BOB BOURKE, has recovered sufficiently from his editing job to find himself a wife. Best wishes, Bob!

ANNE BAKER and NANCY HILLS are working in Toronto; they're both busy witnessing to fellow-workers.

BEATRICE BALL and JEAN FOWLER are at Dominion Business College.

JESSIE WRIGHT is in the midst of her probationary period at the S.I.M. Home in Toronto. We praise God for leading Jessie thus far.

LILYAN BRANDON, '48 class Secretary, has recently gone to St. Henry's Baptist Mission in Montreal.

DON WILKINSON tells us that he's in the building business—building up young Christians in the faith, and building a new church in Kenora, Ontario.

DESIRE JACQUES is at home in Scudder, Ont. We may be sure that she keeps herself busy for the Lord.

ENID ENGLUND (Carter) has taken unto herself a husband. They are living in Philadelphia.

LUCINDA SNYDER is at Goshen College, Indiana, EUNICE BALDWIN at Sir George Williams College, Montreal, KIM MORRIS in Toronto at the United Church Training School, and STELLA GAVERLUCK at the Russian Bible Institute. They want to know where and "who" their classmates are now!

We hear that BESSIE MORPHET is busy training young people for missionary service at the Missionary Health Institute, Toronto.

Work on the Jewish Work Committee proved a training ground for MILDRED SMITH; she's with the Toronto Jewish Mission now.

What do you know! ART McLEAN is wintering it out, no, not Florida, but in Nova Scotia.

(Editor's note: Most of the above newsy items were gleaned from the '48 Class Letter. Wish we had heard from all of you.)

# HIGHLIGHTS

---

**FIRST YEAR DAY**—the day that stands out in the memory of every T.B.C. student and grad. This all-out welcome included a tour of Toronto and then of the school buildings, dinner at the College, and an evening of fun at Baraca Club. Family devotions brought the day to a close and new students felt themselves a vital part of the T.B.C. family.

**FALL HIKE**—How we all had been looking forward to this day—but, on THE day it rained! Hot dogs, instead of being cooked over an open fire at Centre Island were cooked over the school stove. (These indoor hot dogs taste every bit as good as the outdoor variety!) Games and skits added much to the fun. Mr. Armstrong led in family devotions and another T.B.C. family gathering came to a close.

**FOUNDERS' WEEK**—All who participated in the 1948 celebration of Founders' Week were greatly blessed. We looked back to the beginning of the College in 1894, and reflected upon God's guidance of those men who were chosen by Him to give this institution the direction it has followed right to the present day. In faith, we are anticipating God's continued blessing upon our College in the days to come.

**STOUFFVILLE CAMPAIGN**—an event long to be remembered by every member of the student body. Eighty students were engaged for eight days in Stouffville and district, making over 800 visits in homes, conducting evangelistic church services and teacher training classes as well as children's meetings and young people's rallies. Many were led to rededicate their lives to the Master and others experienced the joy of salvation which is in Christ Jesus. We thank God that He saw fit to use the students in this manner.

**CHRISTMAS DINNER**—Excitement had been steadily mounting as the days of early December were ticked off on our calendars. Holidays were drawing near, but—more important—so was the Christmas Dinner. Turkey and plum pudding with all the trimmings, Santa Claus with his pack of presents for the good children, and a skit and pageant presented by the Social Committee, all made up a wonderful day and the students left for their homes where, with their own families, they would celebrate the birthday of our Saviour.

**DAY OF PRAYER**—The highlight of the year. Lectures set aside, the day and evening were spent in meditation upon the Word, and a prayer to the Living Word. Dr. McNicol addressed the school in the first hour, emphasizing again, as he alone can, the necessity of the death of self and the enthroning of Christ in the heart of every child of God. During the prayer sessions, lives were rededicated to the Lord Jesus Christ, and the plea of all students was that as His perfect will is revealed, we might be made pliable in His hands.

**MISSIONARY CONFERENCE**—February 7-12, a week of challenge, of decisions, of intercession and of praise:

**Challenge**—in that it applied the Great Commission to ourselves, bidding us, in His strength, to go to the distant places with the Gospel of Christ.

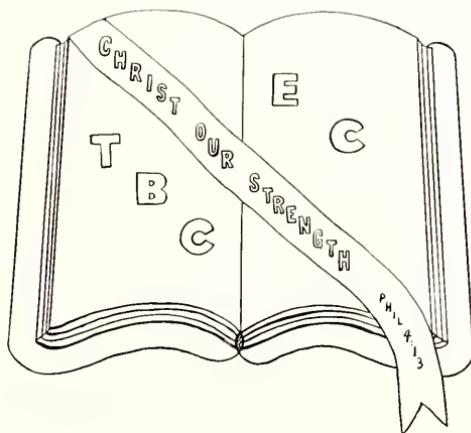

**Decisions**—As particular needs of the various mission fields were presented, God's specific will was made clear to many students anticipating foreign mission service.

**Intercession**—for the messengers of the Cross in the difficult places, for those hearing for the first time about a God of love and an all-sufficient Saviour, and for converts who have responded to the presentation of the Gospel.

**Praise**—to our God "who is able to save them to the uttermost that come unto God by Him."

### "STRENGTH FOR TODAY"

My Father, this I ask of Thee —  
Knowing that Thou wilt grant the plea:  
For this, and only this I pray,  
Strength for to-day — just for to-day.

Strength for each trial and each task,  
What more, my Father, should I ask?  
Just as I need it, day by day,  
Strength for my weakness — this I pray.

Strength for to-day, that I may make  
Some sad souls glad for Jesus' sake;  
Then they with me at eve shall say  
Thank God for strength He gave to-day.

## STUDENT CABINET

Seated: John Dray, Lenard Brown, Catherine Williamson, Adele Cantwell.  
Standing: Howard Patterson, Grace Self, Mary Charbonneau, Lenore Sharpe, Gordon Lean.

"I count all things but loss for the excellency of the knowledge of Christ Jesus my Lord." Philippians 3: 8

The Evening Class Cabinet fully appreciates these two facts; first, that only in proportion to our willingness to yield to God's will as it is revealed to us will the world come to this "knowledge of Christ Jesus" our Lord, and second, that it is only because of the grace of God manifest toward us that we may have a share in this work of extending His kingdom.

We appreciate the zealous endeavour of the members of the Evening Class committees to serve the Lord, and the whole-hearted support given to the Cabinet by the students. Their co-operation has made the work of the Cabinet much lighter and the times we have spent together in prayer have been a source of strength to us all.

We count it a privilege to have joined in the activity of the College in conjunction with the Day Classes. Our fellowship with them has meant a great deal to us and together we have learned to "come boldly unto the throne of grace, that we may obtain mercy and find grace to help in time of need."

MISSIONARY COMMITTEE (Seated): Mary Charbonneau, Helen Richardson.  
Absent: Margaret Campbell.

DEVOTIONAL COMMITTEE (Standing): Eleanor Patrick, Gordon Lean, Edith Blowing.  
Absent: Harold Wardlaw.

BROADCAST COMMITTEE (Seated): Dorothy Willmot, Isobel McIntosh.  
Absent: Alberta Davis, Lois Clark.

EVANGELISTIC COMMITTEE (Seated) Doris Harper, John Dray, Howard Patterson, Andrew Scott, Jean Parish.

SOCIAL COMMITTEE (Standing) : Dudley Ward, Jean Bollons, Lenore Sharpe, Bonnie Brothers, Margaret McFarlane, Helen Scott.

The Evening Class committees are organized to carry on many forms of practical Christian activity. They co-operate with the Day Class committees in hospital work and in conducting services regularly at Yonge Street Mission. They undertake as well many evangelistic appointments of their own and carry on a vigorous programme of evangelism throughout the summer months.

Five hundred Evening Class students have received certificates of graduation upon the completion of three years work in the Evening School.

Under the three year course, 1,340 students have graduated from the Day School, making a total of 1,900 since the founding of the school. The 1949 graduating class is the largest in the past ten years.

In addition to the hundreds of graduates of the Toronto Bible College who have gone to the foreign mission field, approximately 300 have entered the Christian ministry in many communions at home, so that today the sun never sets upon the world-wide Bible College family.

## "WE CAN NEVER REPAY YOU!"

Thus spoke a Jewess at the close of a visit paid to her home by two of our missionaries. In a time of sorrow her heart had been comforted by the coming of the two workers. The children had been reached through the meetings held in the Reading Room; the parents were reached through visitation in the home. The hearts of parents and children were hungry for God's Word.

Jewish hearts are open to-day. Laborers must be sent forth. Now is the time to increase our witness to them in Canada, America, and Europe.

- THE DOORS ARE STILL OPEN TO THE PREACHING OF THE GOSPEL.
- THE PEOPLE ARE MORE RESPONSIVE TO THE GOSPEL MESSAGE THAN EVER!
- WE ARE sending new missionaries and calling for more single men and women and married couples.
- Now operating two Bible schools to train native preachers—one is just newly opened in North India.
- Planning two new orphanages for destitute children in North India, in addition to our tour in South India.
- Occupying new areas and building new buildings besides maintaining our regular work.

The Spaniards have not yet received the Gospel. There are 28,000,000 people in Spain, and only 7,000 of them have professed to have accepted the Lord Jesus Christ as their personal Saviour. Why so few? Because, unfortunately, Spain has been spiritually neglected.

Through its unique ministry the SPANISH CHRISTIAN MISSION is endeavoring to evangelize Spain. At present 22 fully or partially supported native missionaries are giving the Gospel to the Spaniards. Many more workers are needed.

The Christians in Spain are passing through great trials and persecutions. Some have even been killed by servants of the Roman Church — the church that controls every corner of the Spanish life.

Pray for the evangelization of Spain. Help in this faith and non-denominational ministry.

Without charge a copy of SPAINGRAMS will be sent to you upon request.

**The British and Foreign Bible Society**

The British and Foreign Bible Society was founded in London in 1804 "to encourage a wider circulation of the Holy Scriptures without note or comment," for every man in his mother tongue.

At the time of the Society's foundation Holy Scripture had been translated into only 72 languages. The Society has now circulated Scripture in over 780 languages, and in normal times distributes over ten million copies annually.

The Upper Canada Bible Society was founded in 1818 to do the work of the British and Foreign Bible Society in the Province of Ontario. It employs five colporteurs within its territory and circulated last year over 104,000 copies of Scripture in 43 languages.

Besides providing for its own undertakings, it shares in the world-wide work by contributions to the Parent Society, and by the support of some 25 colporteurs in foreign lands. To keep pace with growing demands and to make use of larger opportunities the Society seeks an increase in its membership.

Contributions in aid of its work, and enquiries regarding membership and Scripture supplies, may be sent through any local branch or to

**POWER HOUSES**

Bible Society Depots in many lands are Power Houses generating Divine energy in the translation and circulation of the Holy Scriptures.

If that supply fails, it will mean a spiritual blackout for thousands of men and women in lonely places in the world. The only hope for this poor, wounded and wayward world lies in the Gospel of Jesus Christ, the divine revelation enshrined in the pages of the Bible. We need your help to enable us carry on the vital message, abroad, in the Dominion among displaced persons now making Canada their home.

## EVANGELIZING the WORLD with the WORD of GOD

- At home and abroad there is a demand for the Scripture of Truth such as has never before been approached. Multitudes of newly literate people are stretching out eager hands for the Word.
- A single Gospel or a carefully chosen selection of Scriptures, prepared in attractive form, will often serve as a "nail in a sure place" long after the Evangelist has passed on.
- Enquiries are invited from Christian workers interested in PERSONAL EVANGELISM WITH THE WORD OF GOD.

## NOT ONE SINGLE BIBLE!

"NOT ONE SINGLE BIBLE TO BE BOUGHT" is the most common phrase among Christians in Germany. The E.E.C. is undertaking to furnish 20,000 Bibles for Gospel work in Germany during the coming months. Will you pray that this may be accomplished?

# The Faith Mission in Canada

(Incorporated)

The parent Mission began over sixty years ago in Scotland, and now operates in Great Britain, Ireland, South Africa and Canada. Its primary objective is to preach the Gospel in our rural areas and small towns, and on the beaches. We are praying for one hundred God-called evangelists, and more prayer Helpers who will back the work by their prayers and interest.
